

amNewYork's lowdown on getting around

[« The sky is falling](#) | [Main](#) | [Having too much fun on the subway »](#)

Taxi Centennial

The "modern" New York taxi will be 100 years-old this year and the [Design Trust for Public Space](#) is honoring the occasion with a series of events.

It will host exhibits envisioning the future taxis -- as seen above -- among other activities.

April 4, the Empire State Building will go yellow in honor of the cabs. And the IFC Center will host "Fares To Remember: Seven Movies for Taxi '07."

For more info, check out: www.taxi07.org
